## Performance Report

T. ROWE PRICE FUNDS

## M&amp;T Bank

Periods Ended 12/31/2012

Current performance may be lower or higher than the performance data quoted. Past performance cannot guarantee future results. Share price, principal value, yield, and return will vary and you may have a gain or loss when you sell your shares. The performance information shown does not reflect the deduction of redemption fees; if it did, the performance would be lower. Investors should note that the short-term performance for certain funds is highly unusual and cannot be sustained. For the most recent month-end performance information, or to request a prospectus, which includes investment objectives, risks, fees, expenses, and other information that you should read and consider carefully before investing, please visit our web site at [troweprice.com](http://troweprice.com) or call 1-800-638-5660.

An investment in a money market fund is not insured or guaranteed by the FDIC or any other government agency. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in a money market fund.
